Q51. Lately, some have seen or shared videos about the presidential candidates on social media like Facebook and apps like WhatsApp. Some of these videos are factual news stories, while others have been digitally altered to misinform the public. How concerned are you that friends or family members are being sent these misleading videos?

Q53. In some states, ballot drop boxes are an alternative to putting your absentee ballot in the mail or dropping them off at polling locations. County elections officials pick the ballots up directly, without ever having to use the post office, and take the ballots back to the elections department to be counted. Do you think ballot drop boxes are good idea or bad idea as a way to submit your ballot?
