## Notes and Sources:

Data on the share of Latino registered voters were derived from voter file data obtained from Catalist. Depending on the jurisdiction, the date of the voter file data ranges from February through October 2016. The margin of victory in the last contest was obtained from Richard E. Cohen and James Barnes, *The Almanac of American Politics*, 2016, Columbia Books & Information Services, and National Journal, 2015, or predecessor *Almanacs*. Information on candidates and the competitiveness of races was based in part on information from The Cook Political Report, <http://cookpolitical.com>.
