### **NALEO Educational Fund to Host National Hotline, Press Conference to Encourage Voter Registration on National Voter Registration Day**

*Voter registration drives will be hosted in select cities and a press conference will take place in Orlando, FL*

**WASHINGTON, D.C.** – The National Association of Latino Elected and Appointed Officials (NALEO) Educational Fund is celebrating National Voter Registration Day (NVRD) on Tuesday, September 19, 2023, by hosting voter registration drives in key cities; promoting a toll-free, bilingual information hotline; hosting a press conference in Orlando, FL; and enlisting stakeholders as NVRD partners.

The *iVe y Vota!* hotline (888-VE-Y-VOTA) will be active on National Voter Registration Day 8:00 a.m. ET – 8:00 p.m. ET. Community members can call or text to receive answers to questions such as:

- How do I register to vote?
- What are the requirements to register to vote?
- Do I need to provide an ID card to register to vote?
- How do I find out which elections are being held in my community?
- Do I have to register before voting?
- Can I register to vote on Election Day?
- How do I vote by mail?
- Where do I vote on Election Day?

To further support this initiative, NALEO Educational Fund staff will host local voter registration drives to assist potential voters in registering or updating their voter registration in Los Angeles, Houston, Charlotte, and New York City. "National Voter Registration Day is more than just registering to vote; we want to make sure Latinos are aware of the importance and impact of becoming a consistent voter," **said NALEO Educational Fund CEO Arturo Vargas.**

Also happening on September 19, Jackie Colon, NALEO Educational Fund Southeast Regional Director, will moderate an NVRD press conference in Orlando, FL — speaking with various elections administrators and non-profit organizations on the importance of voting.

Lastly, NALEO Educational Fund will help expand the NVRD network by recruiting additional community partners — organizations that have joined the effort to make voter registration easy and accessible to all. Stakeholders and organizations interested in being part of NVRD activities can learn more and sign up [here](#).
